Hel hele verin geline

Deste gÃ¼l verin eline

Altin kemer baglamis

Gelin ince beline

Hel hele verin geline

Deste gÃ¼l verin eline vay vay

Kapidan geÃ§ti yarim

Yarami desti yarim

Uydu eller sÃ¼zÃ¼ne

Menden vazgeÃ§ti yarim

Hel hele verin geline

Deste gÃ¼l verin eline

Altin kemer baglamis

Gelin ince beline

Hel hele verin geline

Deste gÃ¼l verin eline vay vay
