The Truth gleams
Into the vessels of my mind

To go as far
Fearing something so imperative
Why won't you fucking listen?
You wear the empire on that crown

This is our world flying away (x2)

HEAR ME OUT
WE WILL SHED BLOOD TONIGHT
THIS IS A WARRIOR'S RACE

Listen to the truth
Please believe your actions
Will not be forgotten
[These glyphs are all]
They'll stay with me
As a reminder
Of when I found myself
I found myself
[These glyphs are all]

I've his kingdom of light
A world where muses roam divinely
These glyphs are all (x2)
I've seen his world inside these glyphs
These glyphs are all (x2)

Regressing from our grace,
It's haunting
We're viscous and I know
Like a simple swollen grace

Choose wisely as fate may have her way
Heed my words of wisdom
The trial of naught will have our blood spilled

In this stalwart dissolution:
These glyphs are all (x2)

I've seen his kingdom of light,
A world where man bleeds immortality
These glyphs are all (x2)

I've seen his kingdom of light,
A world where man bleeds immortality
These glyphs are all (x2)
I've seen his kingdom of light,
A world where muses roam divinely
These glyphs are all

I've seen the truth
