[Drunken Master]

"Uh. Yeah. Yeah, yeah. Drunken Master, what-what."

Yo, I'm 'bout ta fuck yo' head like Stevie Wonder with
the clippas

("Yeah, yeah.") Drunken Master, mobbin' like a real
nigga

Representin' wit' that hardcore rap shit

You ain't feelin' me? Meet me on the 'Lac, bitch

And we can blaze up a sack of the sticky-green
medicine,

take ya places ya neva been

'cause I've been around the world without a doubt

doin' shit the average nigga dream about

Deep in the game like pussy on prom night

Livin' in the last days, tryin' ta get my mind right

Game tight, ridin' wit' the Outlawz

Playin' bustas to the left like a Southpaw

Straight ridin', strictly Eastsidin'

Mobbin' wit' my dogs, livin' like hogs, nigga

Chedda chasin' wit' five on the blaze up

'Bout to get my wait up and stick the whole state up

['Scarface' samples]

"You don't have the guts to be what you wanna be. You
need people like

me. You need people like me so you can point your
fuckin' fingers and

say 'That's the bad guy.' Say goodnight to the bad
guy!"

[Drunken Master]

Niggas gamble wit' they life when they violate the zone
of a desperado hustler, tryin' to get my grind on

Stayin' focused with my mind on them cheddar chips

Livin' well but tryin' to get that better shit

like a candy-coated hummer wit' the drop-top

Beatin' up your block, bumpin' underground 'Pac

Ballin, on the road to the riches

Never stallin, voice mail full of record labels callin'

'cause they know a nigga' gifted

but fuck fame. The niggas got the game twisted
Gettin' lifted, representin' Shadyville
Drunken Master, soldier in the feel
Shit is real. Write it down and remember
Number one contender, cold as December
Never sober, ridin' 'til it's over
Mixtape soldier, I told 'cha

['Scarface' samples]

"Hey, FUCK YOU, MAN! WHO PUT THIS THING
TOGETHER?! ME! THAT'S WHO!
WHO DO I TRUST?! ME!!" ("ME!! ME...")
