(B. Walkenhorst)  
Tattoo tattoo  
Some things fade some never do  
Like the names of me and you  
In my skin indigo blue  
Tattoo tattoo  
Waving boys in navy blue  
Whalers sailing home to you  
Scratched in scrimshaw tusk and tooth  
Tattoo tattoo  
Some things fade some never do  
These lines of love to you  
Tattoo tattoo  
The verse of life is blank I think  
We fill in in invisible ink  
It comes to sight, it surfaces  
When held up to the light of love  
Tattoo tattoo  
Carney girls in summer suits  
Local boys in leather boots  
Diagrams of derring-do  
Tattoo tattoo  
Tattoo tattoo  
Some things fade some never do  
Like these lines of love to you  
Tattoo tattoo  
Like the names of me and you  
In my skin indigo blue  
Tattoo tattoo
