To xero oti imouna anefthinos koutos
Ke oti de sou ferthika san kirios sostos
Sta randevou mas s' estisa ametrites fores
M' agapages ke etreha se alles angalies

Ma tora pou me heretas
Ke les pos pia den m' agapas
Esthanome ena keno
Siniditopio...

Pos an se haso, hathika, hathika, hathika
Signomi, ma trelathika, trelathika, trelathika
Se ekana ke eklapses, eklapses, eklapses
Ma an tha m' afises, m' ekapses, m' ekapses

Anagnorizo oti fteo
Ma pali sou to xanaleo
Pos an se haso, hathika, hathika, hathika
Signomi, ma trelathika, trelathika, trelathika

To xero oti imouna enas egoistis
Ki apenandi sou stathika poli asinepis
Erhomouna ke se evlepa to mina dio fores
Dikeologies evriski ki ena soro psefties
