You know you got to slow me down
I know I'm talking 'cause I'm right
I only got it in my head
We are soon gonna start a fight

Fuck you, fuck you
Fuck you, fuck you

Remeber football in the streets
Remembering fighting over weed
The day you fell out of a tree
Ooh these times we had a bowl
He's my but my patience is running out
He is a really nice guy I like to punch him on his mouth

Fuck you, fuck you
Fuck you, fuck you

If you really need it you can take it easy
If you really need it

We're driving through these drunken nights
And we lose feet with pride
Silence is broken by a love
Ooh you knew this from the start

Fuck you, fuck you
Fuck you, fuck you

Fuck you, fuck you (ooh ooh)
Fuck you, fuck you (ooh ooh)

Oooh oooh, oooh oooh
Oooh oooh, oooh oooh
