Gotta wake up

Hear, my ghost is in the hallway
And it calls, screams and shouts my name
It's true boundaries are fading
When it's dark, the girls all look the same

Before I lose my
Insanity runs through my veins
Try to do the right

My pride, I lost it in the staircase
Of my mind, where things are awful cold

Before I lose my
The cruelty runs through my veins

Try to do the right
Try to do the right II
Try II
Try to do the right
