Hey DJ we're the kids from the radio
He smiles
Oh you won't hear me complain
He says hi
But he doesn't know your name
Oh he's a dj
HEY DJ we're the kids from the radio
Ooee I hope I die at 27
Laugh about you on a cloud from heaven
Start a revolution start a war
Start a band steal a car
Grab your dreams and thoughts for free
It's easy flying overseas
It's easy living here you see
It's easy smiling on tv
I'm the one you and me know
You allways wanted to be
My name is benny blisto
Please to meet you
I'm the world
I'm king
I'm god
HEY DJ we're the kids from the radio
