Think in the morning, think in the morning
Think in the morning, think in the morning

I was dreaming of time I've never seen (think in the morning)
travelling through ageless centuries (think in the morning)
I went to downtown Paris 1953
there's a man with a pipe, squinted eyes, and he looks right up at me

Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)

I was thinking that I really needed time for myself
cause he said there's no god,
there's no truth you gotta make it on your own

Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)

artists, poets, everyone was there
but they don't know about my time machine affair

Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)

Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)

Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)
Oh what a sweet world (think in the morning)

Oh what a sweet world (think in the morning)

Oh what a sweet world (think in the morning)

Oh what a sweet world (think in the morning)
