(Cat Stevens) In the midnight moonlight hour He's  
walking along that lonely mile And every time I do I  
keep seeing this picture of you Here comes my baby  
Here she comes now And it comes as no surprise to me  
With another guy Well here comes my baby Here she  
comes now Walkin' with a love, with a love That's oh so  
fine Never to be mine no matter how I try You'll never  
walk alone And you're forever talkin' on the phone And  
I try to call your name But every time it comes out the  
same Here comes my baby Here she comes now And it  
comes as no surprise to me With another guy Well here  
comes my baby Here she comes now Walkin' with a  
love, with a love That's oh so fine Never to be mine no  
matter how I try Here comes my baby Here she comes  
now And it comes as no surprise to me With another  
guy Well here comes my baby Here she comes now  
Walkin' with a love, with a love That's oh so fine Never  
to be mine no matter how I try
