It breaks my heart
To know the eyes you stare at me with aren't honest.
It breaks my heart
To know the words you speak to me aren't honest.
Can I ever truly forgive you?
Can I ever fully believe you?

Wear your disguise and I see right through.
I hate you.
You know I hate you.
Tell all your lies while I bleed right through.
I hate you.
I fucking hate you.

How can you tell me
You came to me faithfully?
How can you tell me
No it's not all true?
How can you look
In my eyes and tell lie after lie after lie
And make me a fool?
Can I ever truly forgive you?
Can I ever fully believe you?

Wear your disguise and I see right through.
I hate you.
You know I hate you.
Tell all your lies while I bleed right through.
I hate you.
I fucking hate you.

You break my heart
To know the eyes you stare at me with aren't honest.
You break my heart
To know the words you speak to me aren't honest.
Can I ever truly forgive you?
Can I ever fully believe you?

Wear your disguise and I see right through.
I hate you.
You know I hate you.

Tell all your lies while I bleed right through.
I hate you.
I fucking hate you.

You broke my heart.
