I know you're waiting and you're so damn nervous  
I know you're hoping that I could explain this  
Look in my eyes  
I will try and show you

I know you think I am the devil in this  
I know you're thinking that you don't deserve this  
look in my eyes

What did you want me to be  
When I see you falling  
How did you want me to see  
Your life and your lying  
How did you want me to feel  
when I see you trying  
Trying so hard to fit in  
To the world you are buying

I know you're thinking that you should have been there  
I know you're thinking that no one cares  
just look in my eyes  
I will try and show you  
I know you think I should be saying i'm sorry  
You arent the person i thought you'd be  
Just look in my eyes

What did you want me to be  
When I see you falling  
How did you want me to see  
Your life and your lying  
How did you want me to feel  
when I see you trying  
Trying so hard to fit in  
To the world you are buying

Just take a look at who you are  
Dont blame me for the Hardest part  
I told you when the  
Rain starts falling it all starts crashing  
Down and life will run you right into the ground  
Just take a look at who you are
