Stuck in the middle  
I burrow inside  
Back to the cradle  
Away from the burdens  
Of all my crimes  
Before it's fatal

The past has found me  
The truth come out  
Always remember  
With no place to fall  
But straight down  
I must surrender

Well it seems I've finally  
Thought of everything  
I want to love  
I want to feel  
Find peace  
Find the real

There's a face I put on  
All my life  
The face of an angel  
I look in the mirror  
Only to find  
The face of a stranger

And all that I've taken  
I hunger for more  
Cause I'm selfish  
And all I'm left with

Is a crown of thorns  
And I'm helpless

Well it seems I've finally  
Thought of everything  
I want to love  
I want to feel  
Find peace  
Find the real

Well I'll trade these lies for something right  
I will kill what hurts with something pure  
I will be redeemed so I can breathe again

(quitter solo)

Well it seems I've finally  
Thought of everything  
I want to love  
I want to feel  
Find peace  
Find the real

Well it seems I've finally  
Thought of everything  
I want to love  
I want to feel  
Find peace  
Find the real
