### "I Know It Hurts"

And you say this ain't living  
You say you can't go on  
Only take as you're given  
Now your hope is all but gone

Though you lost your way (now it's gone forever)  
But I know your pain

We all fall sometimes you're not the first  
But I know it hurts  
Yeah I know it hurts  
In the end you'll find what you deserve  
Still I know it hurts  
Yeah I know it hurts  
Ohhhh...

And the tide's only rising  
The storm is on its way; yeah  
But you can't keep on fighting  
So bitter worn and so afraid  
Though it's sad and wrong  
I hope you will remember  
You must carry on

We all fall sometimes you're not the first  
But I know it hurts  
Yeah I know it hurts  
In the end you'll find what you deserve  
Still I know it hurts  
Yeah I know it hurts

There's still tomorrow  
Hold on hold on  
There's still tomorrow  
Just wait just wait  
There's still tomorrow  
Hold on [x2]

We all fall sometimes you're not the first  
But I know it hurts

Yeah I know it hurts  
In the end you'll find what you deserve  
Still I know it hurts  
Yeah I know it hurts
