Thanks for all you've done
I've missed you for so long
I can't believe you're gone

You still live in me
I feel you in the wind
You guide me constantly

I never knew what it was to be alone no,
Cause you were always there for me
You were always there waiting

Now I come home and I miss your face so
Smiling down on me
I close my eyes to see and I know

You're a part of me, and it's your song
That sets me free
I sing it while I feel I can't hold on
I sing tonight
Cause it comforts me

I carry the things that remind me of you
In loving memory of
The one that was so true

You were as kind as you could be
And even though you're gone
You still mean the world to me
I never knew what it was to be alone no,
Cause you were always there for me
You were always there waiting

But now I come home and it's not the same no,
Feels empty and alone
I can't believe you're gone
And I know

You're a part of me and it's your song
That sets me free
I sing it while I feel I can't hold on
I sing tonight

Cause it comforts me

I'm glad He set you free from sorrow
I'll still love you more tomorrow
And you'll be here with me still

All you did, you did with feeling
And you always found the meaning
And you always will
And you always will
And you always will

And I know,
You're a part of me and it's your song
That sets me free
I sing it while I feel I can't hold on
I sing tonight
Cause it comforts me
