I've been defeated  
And brought down  
Dropped to my knees when hope ran out  
The time has come to change my ways

On this day I see clearly  
Everything has come to life  
A bitter place and a broken dream  
And we'll leave it all, leave it all behind

I'll never long for what might have been  
Regret won't waste my life again  
I won't look back  
I'll fight to remain

On this day I see clearly  
Everything has come to life  
A bitter place and a broken dream  
And we'll leave it all, leave it all behind

On this day it's so real to me  
Everything has come to life  
Another chance to chase a dream  
Another chance to feel chance to feel alive

Fear will kill me, all I could be  
Lift these sorrows  
Let me breathe, could you set me free  
Could you set me free

On this day I see clearly  
Everything has come to life  
A bitter place and a broken dream  
And we'll leave it all behind

On this day it's so real to me  
Everything has come to life  
Another chance to chase a dream  
Another chance to feel chance to feel alive
