is it a fantasy or do you love me?  
virtual life is on the network  
i couldn't live without - i wanna feel you  
where's your site? i gotta get you!  
i keep on looking for your email  
i wanna touch you so find a way  
baby baby cmon don't let me down  
welcome to the cyber dance everybody  
don't stop - www  
into the cyber dance to the party  
look into my baby internet  
welcome to the cyber dance everybody  
don't stop - www  
into the cyber dance to the party  
look into my baby internet  
don't waste your time tonight  
stay on the network  
watch me babe we are online now  
you got your password now and you can get me  
just a click - you'll be connected  
i keep on looking for your email

i wanna touch you so find a way  
baby baby cmon don't let me down  
welcome to the cyber dance everybody  
don't stop - www  
into the cyber dance to the party  
look into my baby internet  
welcome to the cyber dance everybody  
don't stop - www  
into the cyber dance to the party
