Well youd better get home  
Cause your Daddys awake  
Said he saw you last night  
Making out by the lake  
With a boy that he hates,  
Doesnt look at me the same way that you do.

Said I look pretty cute but  
I dont got the grades  
Seen the star on my foot  
And the way I behave  
And were better off when Daddys out of town

Oh baby youve got nothing to prove  
But if we decide to go,  
Doesnt mean hes gotta know  
Oh baby youve got nothing to lose  
And were better off when Daddys not around

He doesnt give his consent  
So now we cant afford  
The perfect wedding you want  
Gotta do it abroad  
In a place you adore,  
So I got us on a plane to Hawaii

Where the weather is nice  
And where we are alone  
None of Daddys advice  
Followed us here from home  
Itll be chilled out when Daddys not around

Oh baby youve got nothing to prove  
But if we decide to go,  
Doesnt mean hes gotta know  
Oh baby youve got nothing to lose  
And were better off when Daddys not around

I cant be around him and Ive tried  
Told him once I liked him but I lied  
Find some way to make him change his mind

What can I do to be with you.

Oh baby youve got nothing to prove  
But if we decide to go,  
Doesnt mean hes gotta know  
Oh baby youve got nothing to lose  
And were better off when Daddys not around
