sometimes its hard to be a woman given all your love
to just one man you'll have bad times, he'll have goods
times doin things that you don't understand But if you
love him, you'll forgive him Even though he's hard to
understand And if you love him Oh, Be proud of him
'Cause after all he's just a man Stand by your man Give
him two arms to cling to And something warm to come
to When the nights are cold and lonely Stand by your
man And tell the world you love him Keep giving all the
love you can Stand by your man Sometimes it's hard to
be a gimme Giving all your love to just one band But if
you love them, please don't make fun of them Cause
after all, we're just a band Stand by your man Give him
two arms to cling to And something warm to come to
When the nights are cold and lonely Stand by your man
And tell the world you love him Keep giving all the love
you can Stand by your man - Yeah!!
