What do you mean it's time.
Time for me to grow up ?
I don't want any part.
It's right to follow my heart.
The new kids ran.
Ran out the back door fast and the bands that came
before they had their noses
in the air.
Pretending that they care about our scene just because
our money's green.
I'll tell you stage dives make me feel more alive than
coded messages in slowed
down songs.
Now you're so ashamed.
Now I'm so ashamed of you we believed the same
things.
You stand to Decide.
Rebirth of hardcore pride.
It all came true.
Too bad you can't see all the good things that I see.
Back in. Back in the days when I'd wait to see the old
bands play.
It didn't seem like wasted days.
I was so sincere.
But now I see more clearly.
Music's only work to them.
It's not to me so I say.
Hats off to bands that change.
Good luck go your own way.
Why play for us if your hearts not in ?
Cause what might seem dumb to you is pounding in my
heart.
Now you're so ashamed.
Now you're so ashamed of you.
We believed the same things.
You stand to decide rebirth of hardcore pride.
It all came true.
Too bad you can't see.
No you just can't fucking see it.
Now you just turn your back.
You said I don't want it anymore.
Old Friends you attack.

Old pain out of touch.
You don't get it do you ?
New stage new ideas.
You don't have to make excuses for us.
Sitting there looking back I'm scared.
Don't spoil memories of the way things were.
