Already digging on burial ground  
Already ignoring the bullet sound  
You're living life on powder illusions  
It seems to be the easy solution

Life's hard never an easy way  
Act right proper and so correct  
So hard so many things to say  
If you've done wrong you're going to pay

Don't go staring through walleyes and stairways  
Facing up the fact so to say  
Close the store in time my friend  
Your instinct, a passion to murder at the end

Stop staring through the stairways  
Facing up the fact so to say  
You better close the store in time my friend  
Or you lead us to the end

Life's hard never an easy way  
Act right proper and so correct  
So hard so many things to say  
If you've done wrong you're gonna pay  
If you've done wrong you're gonna pay  
If you've done wrong you're gonna pay  
If you've done wrong you're gonna pay  
If you've done wrong you're gonna
