[Crystal Johnson]

My baby left me,  
left me sad and blue  
I didn't know what to do...  
without my baby baby baby baby  
And then I met his best friend  
and he took me to his house  
And I said... I said...  
(what you said baby) let me tell you what I said

Put it in my mouth  
She said put it in her mouth  
I said my motherfuckin mouth  
I mean her motherfuckin mouth  
Put it in my mouth  
She said put it in her mouth  
My motherfuckin mouth

[Akinyele]

You wanna go down why not  
I be like Herbie and Hand-you-a-Cock  
And tell you that my name is Ak'  
Get on your kness, make like the breeze begin to blow  
But don't give me no Ralph Lauren grin  
If you're not down to go low (deep in my mouth)  
I'm all about mouth fuckin  
only if you down for dick suckin  
if not, be chair and a beer...keep truckin  
and fuck chapsticks  
I'm comin ashy as hell, wit chapped dicks  
for your chapped ass lips (down in my mouth)  
creamin your teeth like dentists as I'm rubbin them  
With an erection like injections, fuck it I be druggin  
them  
Numbing up your tonsils, like ambesol anesthetic  
Cummin down your throat like chloraseptic (take it out  
my mouth)  
No time for apologin.. girlfriend if you..  
swallowin {gurgle}.. garglin  
I'm givin bitches permanent beards  
Put your lips here and catch these damn facial hairs

in your mouth

[Crystal Johnson]  
Put it in my mouth  
Put it in your mouth  
I said my motherfuckin mouth  
I said your muthafuckin mouth  
Or you can just eat me out  
Or I can just eat you out  
You can eat me out  
Yeah, what's that all about?

[Crystal Johnson]  
Now you can lick it, you can sip it, you can taste it  
I'm talkin every drip-drop, don't you waste it  
Baby, slurp it up, it's enough to fill your cup  
It's finger lickin good, and I'm wishin it would  
Go down kinda slow or even fast  
I'm always sprung once I feel your tongue in the crack  
of my ass  
Hust eatin me-nigga  
Goin out like that boy you pack such a tasty treat  
And you can e a t m e o u t  
But put it in my mouth  
Put it in your mouth  
I said your motherfuckin mouth  
I said your motherfuckin mouth  
And you could just eat me out

what do ya choose to lick >you could eat me out  
pussy or dick? >put it in your mouth  
people through out the world >I said your muthafuckin  
mouth  
man it's your pick >put it in my mouth  
what do ya choose to lick >put it in my mouth  
pussy or dick? >I said my muthafuckin mouth  
people through out the world >just put it in my mouth  
yeah it's your pick >muthafuckin mouth  
what do you wanna lick >and you could just eat me out  
pussy or dick? >in my mouth  
people through out the world >put it in my mouth
