They tried to catch a falling star Thinking that she had
gone too far She did but kept it hidden well Until she
cracked and then she fell If all the history is true Shes
gonna end up just like you You made it to the other
side But tell me who will be my guide They build you up
so they can tear you down Trust the ocean, you'll never
drown Who is next, who's gonna steal your crown?
You'll see I have learnt my lesson well The truth is out
there I can tell Don't look back and don't give in To their
lies and goodbyes, Northern Star Fulfil the longing in
your heart Then we will never be apart And if they dare
to question you Just tell them that our love is true They
buy your dreams so they can sell your soul Is it any
wonder we've lost control? Feelings come, feelings go I
have learnt my lesson well The truth is out there I can
tell Don't look back and don't succumb To their lies and
goodbyes Live your life without regret Don't be
someone who they forget When you're lost reach out
for me And you'll see she's not far, Northern Star .
