

## **Raise Hell "Bombtrack"**

Visit "[Bombtrack](#)" on MotoLyrics.com

Ughh! Hey you, it's just another bombtrack...ughh!  
Hey you, it's just another bombtrack...yeah!  
It goes a-one, two three and  
It's just another bombtrack  
And suckas be thinkin' that they can fake this  
But I'm gonna drop it at a higher level  
'Cause I'm inclined to stoop down  
Hand out some beat-downs  
Cold runna train on punk ho's that  
Think they run the game  
But I learned to burn that bridge and delete  
Those who compete at a level that's obsolete  
Instead I warm my hands upon the flames of the flag  
As I recall our downfall  
And the business that burned us all  
See through the news and the views that twist reality  
Enough  
I call the bluff  
Manifest destiny

Landlords and power whores  
On my people they took turns  
Dispute the suits I ignite  
And then watch 'em burn

With the thoughts from a militant mind  
Hardline, hardline after hardline

Landlords and power whores  
On my people they took turns  
Dispute the suits I ignite  
And then watch 'em burn

Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn

Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Yes ya gonna burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn

It goes a-one, two, three  
Another funky radical bombtrack  
Started as a sketch in my notebook  
And now dope hooks make punks take another look  
My thoughts ya hear and ya begin to fear  
That ya card will get pulled if ya interfere

With the thoughts from a militant mind  
Hardline, hardline after hardline

Landlords and power whores  
On my people they took turns  
Dispute the suits I ignite  
And then watch 'em burn

Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Yes ya gonna burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn

Euurrggghhhh!  
Uggh! Hey you, it's just another bombtrack...  
Check it out...

Modified chorus  
Burn!
