Great Life  
Goatboy  
(I Know What You Did Last Summer)

Star havin' a great life

Oh, what you hurry  
Little brother  
Don't you know that  
God loves ya'  
God loves ya'  
And she loves me too

Star havin' a great life  
It's about living with inspiration.  
Star havin' a great life.

Oh, look the living barren men.  
I doubt take it for granted man.

This is the Carnival  
All for multi quailed dreams  
Behold daring your man  
On that plait trappings

He's havin' a great life,  
He's living with inspiration.  
Star havin' a great life.

She takes me twice around the world  
Oh, that music in my head!

Star havin' a great life  
Star living with inspiration,  
Star havin' a great life.

Star havin' a great life  
Star living with inspiration  
Star havin' a great life  
Star living with inspiration.

Not the fucking planned man.  
Not the planned man, mmm, mmm.  
Don't take it for granted man.  
Star havin' a great life.
