We are here to ruin your mood
to speak the things that you don't dare
to tell the truths that you're afraid
and paint your clean cut faces red.

Non P.C.
No more lies
Non P.C.
No more shit

Pentagrams and swastikas
communists and anarchists
white, black, yellow, red
zionists, homosexuals.

Mr. Nice Guys everywhere
peace and love for everyone
can't you see this can't be done
(because) violence is in your blood.
