22 grand job
In the city, it's alright
22 grand job
In the city, it's alright

22 grand job
In the city, that sounds nice
It's alright, it's alright
In the city, it's alright

22 grand job
In the city, it's alright
22 grand job
In the city, it's alright

22 grand job
In the city, that sounds nice
It's alright, it's alright
In the city, it's alright

Come from the work, looks alright
Put the latitude right
Different sails, lots of tunes
What am I supposed to do?

But he's only 28
No more 22
It's alright, it's alright
In the city it's alright

22 grand job
In the city, it's alright
22 grand job
In the city, it's alright

22 grand job
In the city, that sounds nice
It's alright, it's alright
In the city, it's alright

Dancing upstreet Thursday night
In the city, that sounds nice

Looking sharp in my Calise
Did we do the same degree?

I've said less to me all week
Got to go on, Emily
That's alright, that's alright
If the money is alright

22 grand job
In the city, it's alright
22 grand job
In the city, it's alright

22 grand job
In the city, that sounds nice
It's alright, it's alright
In the city, it's alright

22 grand job
22 grand job
22 grand job
22 grand job
In the city, that sounds nice
