My eyes are in rapture
At the mighty throne
Mystical darkness
Possessed by it's own
You raped my shadow
At devil's night
Like a killing widow
When darkness dims light
Lying on the ground and
On my knees again
A suffering enchantment
Was my soul's bane
The light fade away
'Cause with the shadow in my heart
Slowly slippin' away
As life falls apart
A rose for the dead
Lays dying in her hand
She was full of hatred
What she doesn't demand
The eyes're dead and empty
In the sorrowful night
The timeless beauty
Steps out of the light
No living reason
Drawn in ebony
A man is insane
And cried so lonely...
The light fade away
'Cause with the shadow in my heart
Slowly slippin' away
As life falls apart
He died by the pictures he saw
His weak body lamented
From dusk till to dawn
And the love she pretended
In his face an image of pain
My sorrowful sadness arise
Nothing more what will remain
The silence was broken by my sadful cries
The Wrath of the heart won't stop to pay

The eclipse isolates thoughts in my mind
What divorces the night from the shiny day
Forever to see them that i was so blind
The light fade away
'Cause with the shadow in my heart
Slowly slippin' away
As life falls apart...
