Dwelling in the depths, lurking as unnoticed As  
the shadow can't lurk in the gloom of the  
Underdark's night llythiiri, as we Drow call  
ourselves Rejoice life and deeds in the name of  
Queen Lloth Whether skinning the human on the  
sacrificial altar Or fighting another House to  
obtain the bounty of Spider Queen Drow  
remembers the wisdom of millenia carved in  
blood of ancestors "Who survives is who wins"...  
City is shrowded with invisible aura Atmosphere  
of black vanity consumes the unsound  
Underdark And the male drow is nothing but a  
servant So dares not to think - "Matrons know  
best" Darkness is the way of the drow Hate and  
scorn to all who does not belong to us So death  
to the elves, pain to the humans Disgrace to  
the dwarves... Drow supreme! "Jal khaless zhah  
waela..." "Ilharessen zhaunil alurl..." "Vel'uss  
zhaun alur taga lil Quarval-sharess?.." "L'elend  
zhah alurl..." "Lloth tlu malla!" "Ssussun pholor  
dos!" Hearken, ye Loethe! Do not hide thyself  
Behind the backs of the priestess ready to die  
by thy word I, Azamath Tormtor, shall not  
follow thy path I am free - I own my way  
Realize - I am different, I am not thine And thy  
rules do not affect me, thy orders are in vain Be  
aware of me and thou wilt not be amazed When  
thy temples are desecrated and burnt...  
Invisible I sneak the caves, to Arach-Tinilith I'm  
gradually getting closer and closer And finally  
I'm here standing by the walls, unseen  
Vel'Xundussa failed once again, the spies are  
perfect But I am led by scorn and rage The  
spirit of rebellion lives inside of me "Lil waela  
lueth waela ragar brorna lueth wund nind,  
kyorlin elghinn..." "Oloth zhah tuth abbil lueth  
ogglin..." Good old sayings serve me now and  
turn against you... Hearken, ye Loethe! I know I  
shall perish In battle against thy web that binds  
the minds of the drow "To walk apart from the  
House and Queen Is to walk into the grave" -  
My grave is the flame Nothing can possess me

and noone I obey I am heretic, Og'elend, and I  
am proud of my fate So let it all be as it is We  
shall see what will follow... If something will...
