### "Into the open air"

This love, it is a distant star  
guiding us home wherever we are  
This love, it is a burning song  
Shining light on the things that we've done

I try to speak to you everyday  
but each word we spoke, the wind blew away

Could these walls come crumbling down?  
I want to feel my feet on the ground  
and leave behind this prison we share  
Step into the open air

How did we let it come to this?  
What we just tasted we somehow still miss

How will it feel when this day is done  
and can we keep what we've only begun?

And now these walls come crumbling down  
and I can feel my feet on the ground  
Can we carry this love that we share  
into the open air?  
Into the open air  
Into the open air

This love, it is a burning song
