When you feel like you're ready to go  
Somewhere you've never been  
Make a wish and the dream in you grows  
Shining as bright as day  
Carrying you far away

(Chorus)

The story begins with a light in your heart  
A fantasy, a dream and a spark  
Once you believe you are ready to shine  
The princess inside you will show  
You are the glow, you are the glow

Look around, take in all that you see  
You just might be surprised  
In a world of enchantment and pure majesty  
You'll be discovering  
The princess that you're meant to be

The story begins with the light in your heart  
A fantasy dream and a spark  
Once you believe you are ready to shine  
Bright as the world's ever known  
You are the glow

Feel your strength, you can face the world  
Believe every day, everything is possible  
A magical journey awaits

(Chorus)

Whoa, you are the glow
