### "Touch The Sky"

When the cold wind is calling  
and the sky is clear and bright  
Musty mountains sing and beckon  
lead me out into the light

I will ride, I will fly  
Chase the wind and touch the sky  
I will fly  
Chase the wind and touch the sky

Where dark woods hide secrets,  
and mountains are fierce and bold  
Deep waters hold reflections  
of times lost long ago

I will hear their every story  
take hold of my own dream  
Be as strong as the seas are stormy  
and proud as an eagle's scream

I will ride, I will fly  
Chase the wind and touch the sky  
I will fly  
Chase the wind and touch the sky

And touch the sky  
Chase the wind, chase the wind  
Touch the sky
