When the crowd wants more,  
I bring on the thunder  
'Cause you got my back  
And I'm not going under

You're my point  
You're my guard  
You're the perfect chord  
And I see our names together on every billboard

We're headed for the top  
We got 'em on lock  
We'll make 'em say hey!  
And we'll keep rocking, oh!

There's no way I can make it without you  
Do it without ya  
Be here without ya  
It's no fun when you're doing it solo  
With you it's like whoa!  
Yeah and I know  
I-I-I-I-I-I-I-I own this dream  
Cause I-I-I-I-I-I-I-I got you with me!  
There's no way I can make it without ya  
Do it without ya  
Be here without ya!
