We used to leave the blue lights on
And there was a beat
Ever since you have been gone
It's all caffeine-free
Faux punk fatigues
Said it all before

They try to kick it
Their feet fall asleep
Get no harm done, no
None of them want to fight me

Combat baby, come back baby
Fight off the lethargy
Don't go quietly
Combat baby
Said you would never give up easy
Combat baby, come back

Get back in town
I wanna paint it black
Wanna get around
Easy living, crowd so flat
Said it all before
They try to kick it
Their feet fall asleep
I want to be wrong, but
No one here wants to fight me, like you do

Combat baby, come back baby
Fight off the lethargy
Don't go quietly
Combat baby
Said you would never give up easy
Combat baby, come back

I try to be so nice
Compromise
Who gets it good?
Every mighty mild seventies child
Every mighty mild seventies child

Beats me

Doo doo doo
Doo doo doo
Doo doo doo
Doo doo doo doo
Doo doo doo
Doo doo doo
Doo doo doo
Doo doo doo doo

Combat baby, come back baby
Combat baby, come back

Bye bye bye bye bye bye bye baby

Combat baby, come back

How I miss your ranting
Do you miss my all time lows?
