Now let me tell you a story about my youth
When I was a boy scout
Ringing the bell at a mature lady's door
Known to be generous
It was love at first sight, her eyes were shining so
bright
she smiled at me and asked: "what's your cause?"
I'm collecting dough, for the Sunday show

I had the time of my life
It made me a man
And made me realize
The meaning of love

i will never forget, the pretty babe i met
when i was at high school
i was carrying her books every day after class
we were always together
the moment had come, for me to meet her mom
she smiled at me and asked: "what's your name?"
i could see it was her, it all began to blur

we all lived together for a long, long time
me, my babe and her mother
they left the house one day, i never saw them again
don't know the reason
rumours say that aliens took them away
i look into the sky and think: "did they die?"
i can always hope, though i'll never know

I had the time of my life
It made me a man
And made me realize
The meaning of love
