The sun is shining, there's plenty of light (oh yeah) A  
new day is dawning, sunny and bright (oh yeah) But  
after I've been crying all night The sun is cold, and the  
new day seems old Since I lost my baby. (Since I lost  
my baby.) Oh, since I lost my baby. (Oh, since I lost my  
baby.) The birds are singing and the children are  
playing There's plenty of work and the bosses are  
paying Not a sad word should a young heart be saying  
But fun is a bore and with money I'm poor. Since I lost  
my baby. (Since I lost my baby.) Oh, since I lost my  
baby. (Oh, since I lost my baby.) Next time I'll be kinder  
(Next time I'll be kinder) Won't you please help me find  
her (Won't you please help me find her) Someone just  
remind her (Someone just remind her) Of this love she  
left behind her (Of this love she left behind her) Till I  
find her I'll be trying ta (Till I find her I'll be trying ta)  
Everyday I'm more inclined ta Find her Inclined ta Find  
her Inclined ta find my baby Been looking everywhere  
(ba--by) Baby, I really, really care! Oh, determination is  
fading fast (oh yeah) Inspiration is a thing of the past  
(oh yeah) Can't see how my hope's gonna last Good  
things are bad and what's happy is sad Since I lost my  
baby. (Since I lost my baby.) Oh, since I lost my baby.  
(Oh, since I lost my baby.) I feel so bad (since I lost my  
baby) I feel so sad (since I lost my baby) Everything is  
wrong This heart is hard to carry on (since I lost my  
baby) I'm lost as can be (since I lost my baby) What's  
gonna happen to me?
