Drop back, I'm not waiting for tomorrow  
There's not enough time to borrow to take me there  
I've lost track, of all this time that's wasting  
Look at the world we're chasing to get nowhere

I'll be there darling, see you smiling  
There's nothing I'm not trying  
One year and we'll be flying, wait and see

Picture perfect scenes of romance  
I just need one more chance  
Dance with me baby dance  
One more dance and it goes  
And it goes

Look around this place, your dirty hands  
Your dirty face and walk away, just walk away  
Take what is yours, nothing less and nothing more and  
walk away  
Just walk away. Walk away, just walk away.

I'm on gone one more time to  
I'm not gonna let you down  
Picture this and then you'll see why I believe  
And it goes on, and on and on  
It goes on and on I'll see you  
Cause I'm watching  
I will not let you down
