Why has everything gone wrong?  
Why does nothing go as planned?  
Why am I cast as the fool?  
Is there some lesson I should learn?  
It seems that I'm missing the point.  
Tell me what I have done wrong.

This lack of room is not for me.  
I need somewhere that has more space and someone  
to share it with me.  
Cuz I can't stand being alone.  
Here comes another story of me messing up.

With the same feeling as last time, bitter taste with a  
hint of lost pride.  
You didn't have to be so harsh.  
Cut me down with some more feeling; prove to me it's  
not that easy.  
I want to know if this was real.

It seems that I'm left on my back from people that I  
thought were close.  
They all just left and walked away.  
Is everything wrong in my world it sure as hell can look  
that way?  
But only I'm the one to blame.

This lack of room is not for me.  
I need somewhere that has more space and someone  
to share it with me.  
Cuz I can't stand being alone.  
Here comes that other story of me messing up.

With the same feeling as last time, bitter taste with a  
hint of lost pride.  
You didn't have to be so harsh.  
Cut me down with some more feeling; prove to me it's  
not that easy.  
I want to know if this was real.

Tell me what I have done wrong

Tell me what I have done wrong  
Tell me what I have done wrong  
Tell me what I have done wrong

With the same feeling as last time, bitter taste with a  
hint of lost pride.  
You didn't have to be so harsh.  
Cut me down with some more feeling; prove to me it's  
not that easy.  
I want to know if this was real.  
I want to know if this was real.  
I want to know if this was real.
