This is freedom
You're smiling
I'm smiling too
'Cause this is freedom
Together we'll find the truth
You know it's freedom
And that thing
Feels so damn good
Eh â€¦ This is freedom
Can you feel it?
Freedom â€¦

The energy in all of us
The flower of the universe
I'm never gonna set you free
You'll always be a part of me â€¦ x2

This is freedom
You're smiling
I'm smiling too
'Cause this is freedom
Together we'll find the truth
You know it's freedom
And that thing
Feels so damn good
Eh â€¦ This is freedom
Can you feel it?
Freedom â€¦

(The energy in all of us
The flower of the universe
I'm never gonna set you free
You'll always be a part of me â€¦ x2)

The energy in all of us

The flower of the universe
I'm never gonna set you free
You'll always be a part of me € x3
