Wisdom is wasted on the wise  
Youth is wasted on the young  
I am wasted, chasing after the wind  
Riches are wasted on the rich  
Freedom wasted like a slave  
Pleasure wasted on those who have no choice

I'm wasted, I'm wasted  
I'm wasted, I'm wasted without you

Strength you are wasted on the weak  
Truth is wasted on a lie  
You are wasted chasing after the wind  
Strength you are wasted on the weak  
Time is wasted  
In Yours hands never wasted  
It happens to us all  
I'm wasted (repeat 6 times)  
I'm wasted without you  
I'm wasted  
I'm wasted  
I'm wasted  
I'm wasted without You
