I've got a home in that rock
Don't you see (don't you see)
I've got a home in that rock
Don't you see
I've got a home in that rock
Just beyond the mountaintop
Tide me over, Rock of Ages, cleft for me

God gave Noah the rainbow sign
Don't you see (don't you see)
God gave Noah the rainbow sign
Don't you see
God gave Noah the rainbow sign
No more water, but the fire next time
Tide me over, Rock of Ages, cleft for me

Poor old Lazarus, poor as I
Don't you see (don't you see)
Poor old Lazarus, poor as I
Don't you see
Poor old Lazarus, poor as I
When he died he had a home on high
Tide me over, Rock of Ages, cleft for me

East and West the fire will roll
Hide thou me (hide thou me)
East and West the fire will roll
Hide thou me
East and West the fire will roll
How will it be with my poor soul
Tide me over, Rock of Ages, cleft for me

When this world's all on fire
Hide thou me (hide thou me)
When this world's all on fire
Hide thou me
When this world's all on fire
Let his will be my desire
Tide me over, Rock of Ages, cleft for me
