run the clique that have the gauges and the nines The  
Riders and real hard times But baby had him thinkin' in  
the wrong direction Thought somehow, he needed no  
protection He gave up the 4-1-1, and who was on the  
ground! Who was comin' up! - and who was goin'  
down! She asked the nigga if he was down with the  
snow Well, you know, Above the Law is kind of down

nothin' but the Law Attached with the wire, Colombo for  
hire So now the Law was on their way Stupid ass nigga  
had the burp in his tray He probably get a dope to the  
ail So don't snitch on the Clinic our way to jail [Chorus:
