Ahhh, ahhh, (Whoa, oh.) ahhh, ahhh.
Ahhh, ahhh, ahhh. (So, so hard, girl.)
Ahhh, ahhh. (I gotta)
Mmmmmmmmm.
I don't know how to do this.
(Do what I...Do what I gotta do.)
Oh, I guess it's one of those things a man just has to
do.
(I gotta)
But I promise it'll work out for the better, baby.
Trust me.
(Ahhh, ahhh, ahhh, ahhh.) It'll work out for the better.
(I gotta)

I've been feeling lately like being single or just alone
To get into myself. (I gotta)
Love ain't easy.
It can be crazy games that we play.
Sometimes the rules have to change.
I don't wanna treat her cruel,
But I like honesty.
So what am I gonna do.

I guess I'll do what I gotta do and break her heart.
I don't wanna see her cry,
But it's hard to live a lie.
So I gotta do what I gotta do and break her heart.
Though I love the girl, I know,
That the best thing is for us to be apart.
(Ahhh, ahhh, ahhh, ahhh.) Be apart, baby.
(Ahhh, ahhh, ahhh.) Oooh, oooh, oooh, oooh.
Ahhh, ahhh. (I gotta)

Any good relationship starts inside of a happy man.
I think she will understand. (I gotta)
If I tell her straight up, then she can only respect me,
Even if we don't agree.
I don't wanna treat her cruel,
But I like honesty, baby.
So what am I gonna do.

Oh, I've got to do what I gotta do and break her heart.
I don't wanna see her cry,
But it's hard to live a lie.
So I gotta do what I gotta do and break her heart.
(Break her little heart.)
Though I love the girl, I know,
That the best thing is for to be apart.
Listen, baby. Hooo.

Oh, sugar, no. (Do what I gotta do.)
I gotta do what I gotta do.
Oh, baby. (What am I gonna do.)
Oh, let me break it to you gently,
I don't want to. (Do what I gotta do.)
All that I can do. Oooh, oooh, ooooooh.
(What am I gonna do.) Hooo, hooo, ooooooh.
Do what I gotta do. Do what I gotta do.
(Do what I gotta do.) Doo, doo, doo, doo, doo.
(Oh, sugar, no.)
And I don't wanna see you cry, baby.
What am I gonna do.

Oh, I've got to do what I gotta do and break her heart.
I don't wanna see her cry,
But it's hard to live a lie.
So I gotta do what I gotta do and break her heart.
(Break her little heart.)
And though I love the girl, I know,
That the best thing is for us is to be apart.
Do what I gotta do and break her heart, girl.
(Oh, sugar, no.)
I don't wanna see you cry, baby,
But you know that it's driving me crazy.
Do what I gotta do and break her heart. (Oooh, oooh)
And though I love the girl, I know,
That the best thing is for us to be apart.
(Ahhh, ahhh, ahhh, ahhh.)
I know it's gonna work out for the better.
(Ahhh, ahhh, ahhh.)
And the best thing is for to be apart.
