Listen baby
Don't even waste your tears on an insensitive man
There's better things for ya
I mean, what you really need is someone who cares
Someone who's gonna be there for you
Someone like me baby, someone with sensitivity, ooh
Do you understand? Do you feel it?
Hey, ooh, nah, nah, nah, nah

Girl, I know it's been hard since he went away
And left you so sad, you cry every day
Let me kiss your tears, erase all your doubt
'Cause for you I'm here, you won't be without love

(Listen baby)
Don't need a man that'll give you money
(No)
Come on let me show you just what you need honey
(I got what you need)
Don't need a man that'll treat you funny
(Ooh)
You need a man with sensitivity
A man like me

Someone who can love you
Someone who will need you
Someone who will treat you right, like me girl
Someone you can hold at night
Someone stable in your life, oh baby
You need a man with sensitivity
A man like me

Baby, honey there ain't another man
Ah you know, you know honey like I do baby
Hang in there, hang on in there baby
Oh, you need a man with sensitivity
A man like me

You see, you need someone who's there like a
gentleman
If anybody can fit the description, baby I can
Someone who cares and dares to give himself

completely
You got it in me, you need a man with sensitivity

You need a man, not any man warm and sensitive
That's what I can give
You need a man, not any man warm and sensitive
That's what I can give
You need a man, not any man warm and sensitive
(I'm a gentleman)
That's what I can give

Man
(Man)
With
(Man)
Sensitivity
(Man)
A man like me

Don't need a man that'll give you money
(Don't need a man ooh)
Come on let me show you just what you need, honey
(Oh I got what you need)
Don't need a man that'll treat you funny
(Oh I'm a gentleman at heart)
You need a man with sensitivity
A man like me

Baby a little love for me
(Save it baby)
Sensitivity
Baby I got what you need
(I got it)
Sensitivity
Save a little love for me
(Save your love for me, yeah)
Sensitivity

Man with
(Hold on)
Sensitivity
(Hold on babe)
A man like me

Hold on my darlin'
(Hang on in there baby, everything gonna be all right)
Don't let in doubt
(I'll erase all your doubts)
Hold on my darlin'
(I'm here for you baby, no matter what)
Man with sensitivity

(It's okay)
A man like me

Don?t need a man that?ll give you money
Don?t need a man that?ll
(No, oh, sugar, no)
Don?t need a man that?ll treat you funny
Don?t need a man that?ll

(Gentleman)
