Ain't no one like  
(My girl, My girl)  
(My)  
Shes  
(My)  
My what..  
(Shes my love thang)

Temptation wanna make me do the wrong thing  
(M-M-My girl)  
I can't erase the happiness she brings me  
(M-M-My girl)  
Another woman can't begin to take her  
place  
(M-M-My girl)  
I need to run a losing footrace  
(M-M-My girl)

Now I'm saving all my energy  
Till I'm in her loving arms

(Chorus)  
My girl is soft and pretty  
Conversation is always wit it  
A perfect personality  
(Shes my love thang)  
I crave her like a bee craves honey  
I need her just like she needs me  
We just love unselfishly  
(Shes my love thang)

The perfume she wears smells oh so sweet  
(M-M-My girl)  
And her kisses just knock me off my feet  
(M-M-My girl)  
My love thing makes everything okay  
(M-M-My girl)  
So to all propositions Ill just have to say  
(M-M-My girl)

No time for cheap thrills  
I need someone whose real

A girl that's a run of the mill  
So I just have to chill  
And wait until I can feel the real deal  
Like I feel

When her body's next to mine  
Wrapped up in her loving arms  
Oh yeah

(Chorus) (2x)

Shes my love thang

Shes my  
Shes my  
Shes my love thang  
(2x)

Shes my love  
Shes my love  
Shes my love thang  
(2x)

Shes my  
Shes my  
Shes my love thang

Shes my love thang
