In the middle of the club I see your eyes  
They are shining like the stars  
I can't deny  
In the middle of the club  
I see your face  
Boy, you're looking so damn hot  
What can I say?

I feel your love  
In the air, in the air  
All night  
I feel your love  
In the air, in the air  
All night

Party boy, oh, party boy  
Dancin' dancin' all night long  
Party boy, party boy  
Look at me, you've got me strong

Wasn't looking for your love  
but here I am  
Feeling so crazy in love  
can understand  
There is something in the way you look at me  
Only you can make me sway  
How could this be?

I feel your love  
In the air, in the air  
All night  
I feel your love  
In the air, in the air  
All night

Party boy, oh, party boy

Dancin' dancin' all night long  
Party boy, party boy  
Look at me, you've got me strong
