Going going home
I hold a memory I can't let go
Going going home
Going going home

You're long ago
And far away
But I can still remember you

Going, going home
I've got a memory that I can't let go
And I know I won't be alone
I'm goin' home

The ones I love will all be there
And I can see their smiling faces

Oh I'm giving in
It's like living in a war
It can't be right
And I can't fight this world

No more

I don't care where this highway goes

Going going home
I know I won't be alone
I'm going
I'm going home

I know you'll always wait for me
And now I'm going back to you

Oh I'm giving in
It's like living in a war
It can't be right
And I can't fight this world
No more
I don't care where this highway goes

Ad libs to fade
