1. Looking back over my shoulder  
I can see that look in your eyes  
I never dreamed it could be over  
I never wanted to say good bye

2. Looking back over my shoulder  
With an aching deep in my heart  
I wish we were starting over  
Oh instead we're drifting so far apart

B: Everybody told me you were leaving  
Funny I should be the last to know  
Baby, please, tell me that I'm dreaming  
I just never want to let you go

3. Looking back over my shoulder  
I can see that look in your eyes  
Turning my heart over and over  
I never wanted to say good bye

B: I don't mind everybody laughing  
But it's enough to make an old man cry  
'cause I can feel you're slipping through my fingers  
I don't even know the reason why

4. Whistle the melody

B. Everyday it's a losing battle  
Just to smile and hold my head up high  
Could it be we belong together  
Baby, won't you give me one more try?  
One more try

5. Looking back over my shoulder  
I can see that look in your eyes  
I never dreamed it could be over  
I never wanted to say good bye
