Oh sometimes I go walking through fields where we
walked long ago in this sweet used to be
And the flowers still grow but they don't smell as sweet
as they did when you picked them for me
And when I think of you and the love we once knew
How I wish we could go back in time
Do you ever think back on those memories like that
Oh do I ever cross your mind?

Do you ever wake up lonely in the middle of the night
Because you missed me do you darling
Oh and do your memories ever take you back into
another place in time
Oh and do you ever miss the feelings and the love we
shared when you were with me
Do you darling
I just wonder do I cross your mind?

Oh how often I wish that again I could kiss your sweet
lips like I did long ago
And how often I long for those two love and arms that
once helped me so gentle and close
And when I think of you and love we once knew how I
wish we could go back in time
Do you ever recall these old memories at all
Oh do I ever cross your mind?

Do you ever wake up lonely in the middle
Cause you missed me do you darling
Oh and do your memories ever take you back into
another place in time
Oh and do you ever miss the feelings and the love we
shared when you were with me
Do you darling
I just wonder do I cross your mind
Oh do I ever cross your mind
Cross your mind!
