I been a witness to homicide fatal enemy soul ride in
the morning will i be able to open my eyes are will i look
in the mirror in see my soul shiver it's evil to think about
what i don are where i get it from i d;on let the devil in
now i'm scare to commet deadly sins it's like a hollow
tip pick up pick up i bring the nosie to valuabe orgs to
shit you need tonight ya family going to see you bleed
if you see lead it's going to be final shot to the head
did'nt see the sot just herd the pop thats what you get
for thinkin you hot runnig up in my shot for smokin
nigger pot fuckin around got ya got how it feel to be
spill demen pill the devil sent me on a mission dogs
pissin nigger missin
